MPEP ¶ 12.119 Amendment After Board Decision, Entry Refused

The amendment filed 13 May 2011 after a decision by the Board of Patent Appeals and Interferences is not entered because prosecution is closed and the proposed amendment was not suggested in an explicit statement by the Board under 37 CFR 41.50(c). As provided in 37 CFR 1.198, prosecution of the proceeding before the primary examiner will not be reopened or reconsidered by the primary examiner after a final decision of the Board except under the provisions of 37 CFR 1.114 (request for continued examination) or 37 CFR 41.50 without the written authority of the Director, and then only for the consideration of matters not already adjudicated, sufficient cause being shown.

The amendments with "Do Not Enter" in the upper left hand corner is also attached to this communication.
